

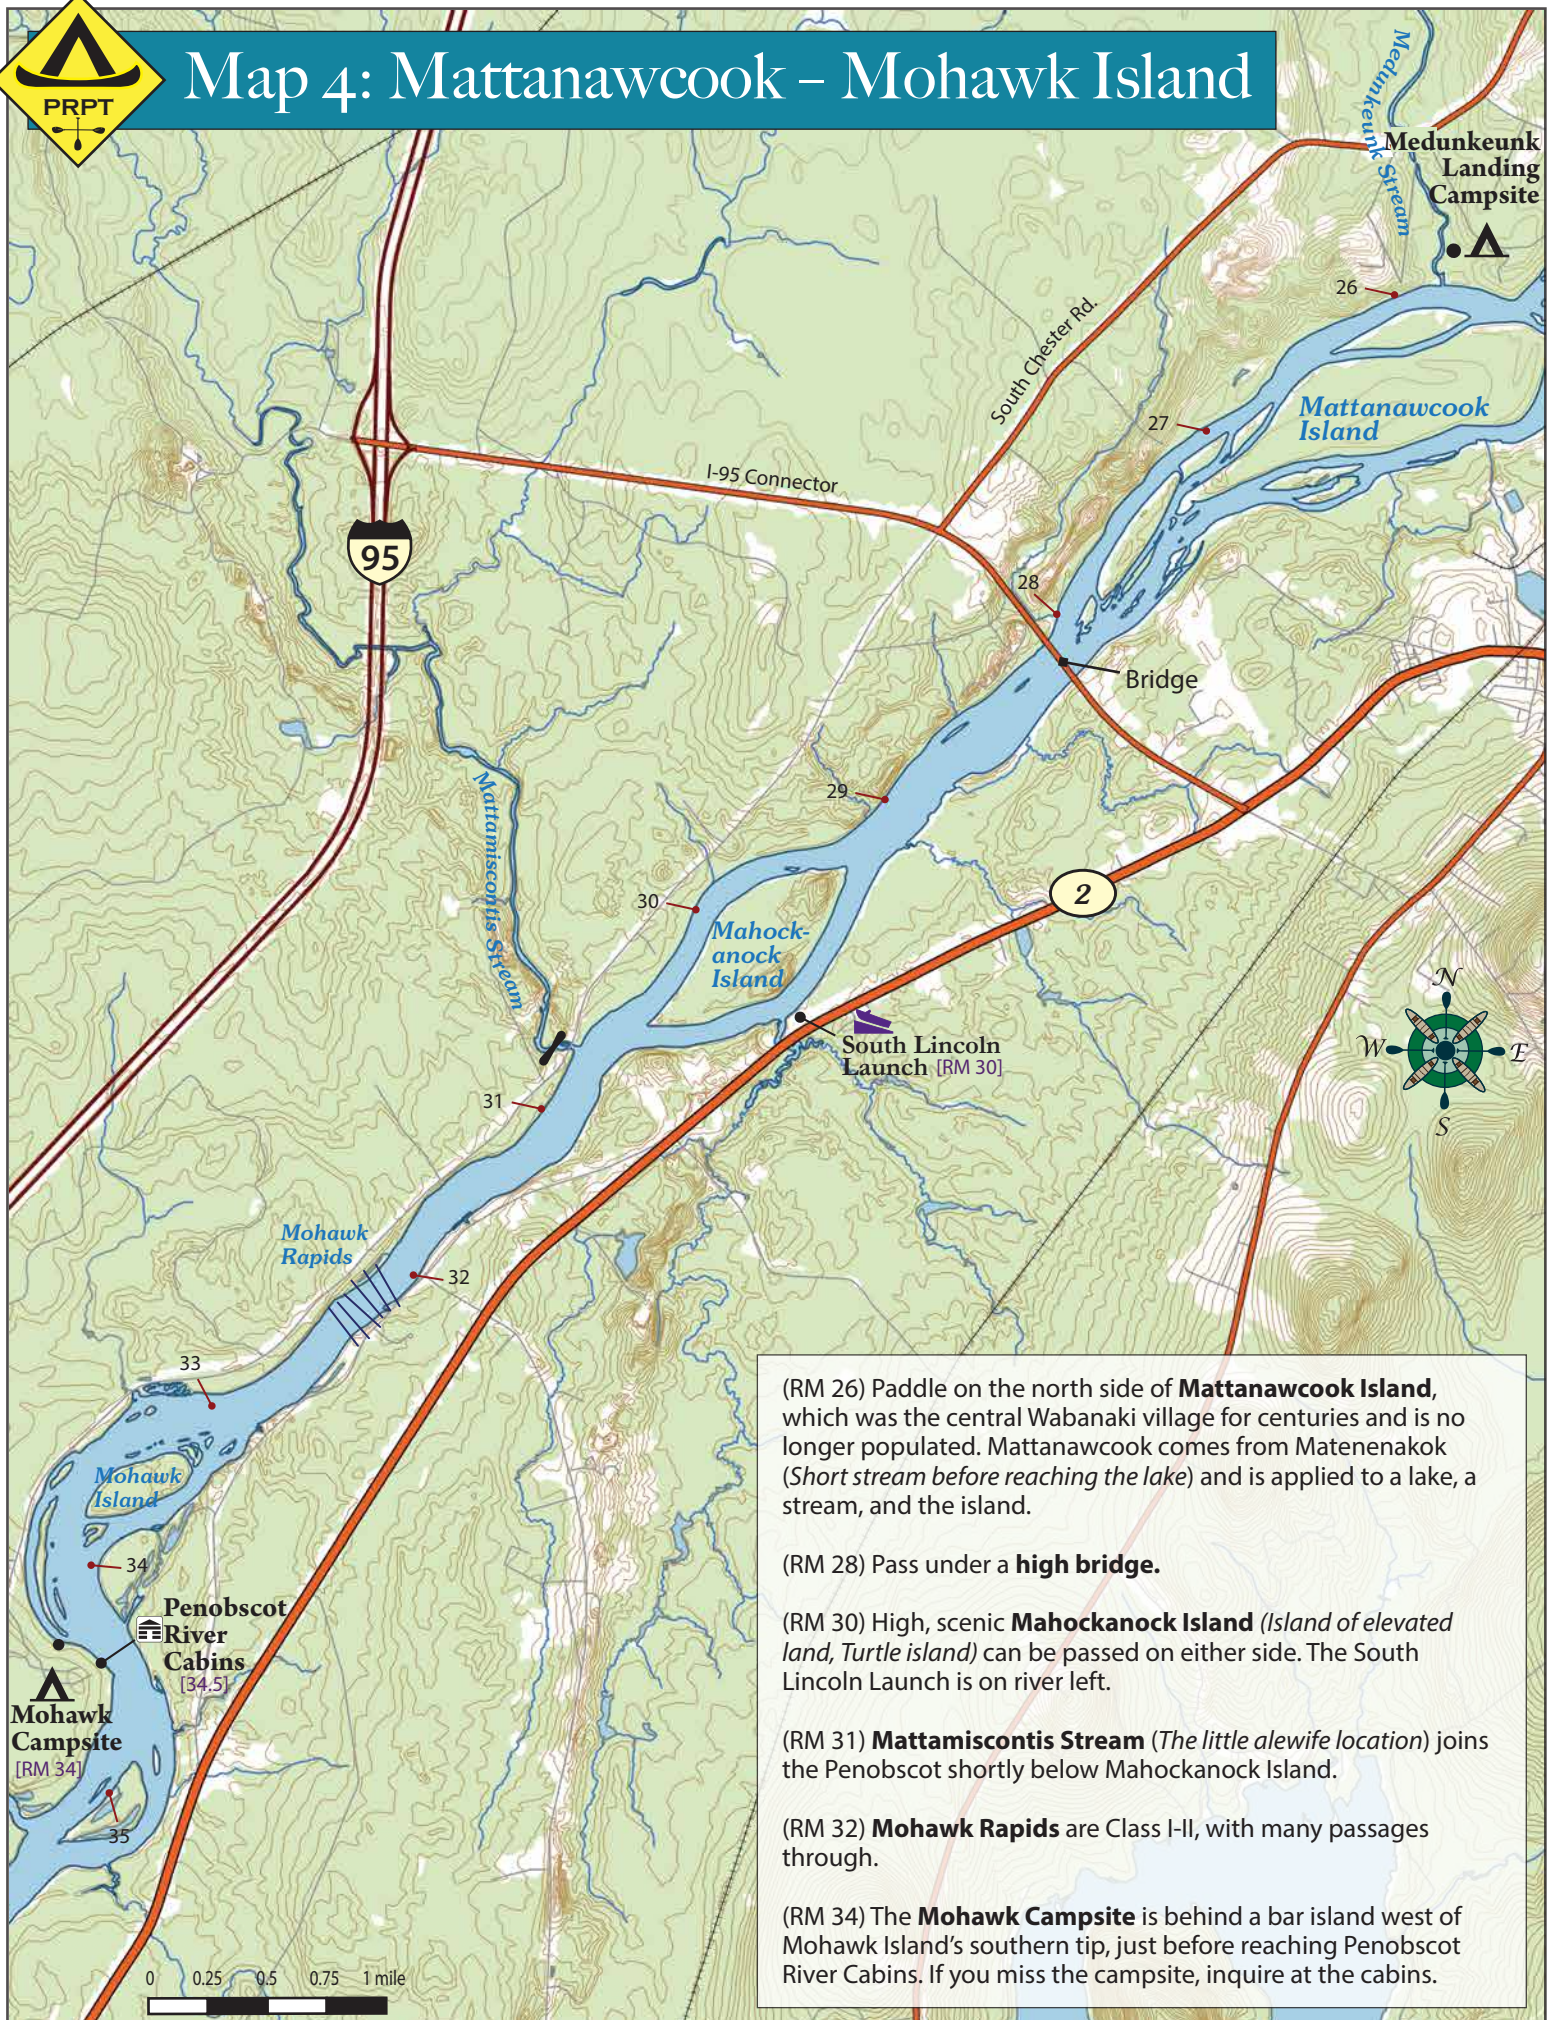

Map 4: Mattanawcook – Mohawk Island

(RM 26) Paddle on the north side of **Mattanawcook Island**, which was the central Wabanaki village for centuries and is no longer populated. Mattanawcook comes from Matenenakok (*Short stream before reaching the lake*) and is applied to a lake, a stream, and the island.

(RM 28) Pass under a **high bridge**.

(RM 30) High, scenic **Mahockanock Island** (*Island of elevated land, Turtle island*) can be passed on either side. The South Lincoln Launch is on river left.

(RM 31) **Mattamiscontis Stream** (*The little alewife location*) joins the Penobscot shortly below Mahockanock Island.

(RM 32) **Mohawk Rapids** are Class I-II, with many passages through.

(RM 34) The **Mohawk Campsite** is behind a bar island west of Mohawk Island's southern tip, just before reaching Penobscot River Cabins. If you miss the campsite, inquire at the cabins.
